ACKNOWLEDGEMENT

It gives us a great sense of pleasure to present the report of the B.Tech. Project undertaken during B.Tech. Second Year (Session: 2025-26). We owe special debt of gratitude to our project supervisor ***Adison Pal, Assistant Professor, Computer Science and Engineering (Artificial Intelligence & Machine Learning), Pranveer Singh Institute of Technology, Kanpur*** *for his constant support and guidance throughout the course of our work. His sincerely, thoroughness and perseverance have been a constant source of inspiration for us. It is only his cognizant efforts that our endeavours have seen light of the day.*

We also take the opportunity to acknowledge the contribution of ***Dr. Nayancy, Head, Department of Artificial Intelligence and Machine Learning, Pranveer Singh Institute of Technology, Kanpur*** *for his full support and assistance during the development of the project.*

We also do not like to miss the opportunity to acknowledge the contribution of all faculty members of the department for their kind assistance and cooperation during the development of our project. Last but not the least, we acknowledge our friends for their contribution in the completion of the project.

ABSTRACT

.

An Abstract is required for every paper; it should succinctly summarize the reason for the work, the main findings, and the conclusions of the study. The abstract should be no longer than 250 words. Do not include artwork, tables, elaborate equations or references to other parts of the paper or to the reference listing at the end. The reason is that the Abstract should be understandable in itself to be suitable for storage in textual information retrieval systems.
