Note on MS Dhoni
MS Dhoni
Mahendra Singh Dhoni, popularly known as MS Dhoni, is one of the most celebrated cricketers in Indian cricket history. Born on 7 July 1981 in Ranchi, Jharkhand, Dhoni became famous for his exceptional wicketkeeping, powerful batting, calm personality, and outstanding leadership. He is widely admired not only for his achievements on the cricket field but also for his discipline and ability to remain composed under pressure.
Dhoni made his international debut for India in 2004 in an ODI against Bangladesh. He quickly attracted attention with his aggressive batting style and ability to finish matches. In 2005, he scored his first ODI century against Pakistan, announcing himself as a major talent in Indian cricket. His performances eventually led to his appointment as captain of the Indian team.
One of Dhoni's greatest achievements came in 2007, when he captained India in the inaugural ICC T20 World Cup. Despite being a relatively young captain, Dhoni guided the Indian team to the title. His leadership style was different from that of many traditional captains. He was calm, trusted his players, and often made bold decisions at crucial moments.
Under Dhoni's captaincy, India achieved several major successes. In 2011, he led India to victory in the ICC Cricket World Cup. In the final against Sri Lanka, Dhoni played an unforgettable innings of 91 not out and finished the match with a six. His performance in the final became one of the most memorable moments in Indian cricket.
